

APPROVED TRAINING PROGRAMME

CNMHealthCoach
Training Successful Health Coaches

Health Coach Diploma

<https://www.thehealthcoach.com/>

Our Mission:

- To provide thorough, practice-orientated training in natural therapies such as Naturopathy, Nutrition, Herbal Medicine, Acupuncture, Homeopathy, Health Coaching and Natural/Vegan Chef.
- To train students to become highly competent, successful practitioners.
- To make sure CNM courses are widely recognised and respected in the UK, Europe, and internationally.
- To continuously raise the profile of natural therapies in society.
- To support and promote CNM graduates after qualification.
